

INSPIRING MOMENTS

BY DESIGN, SERVICE AND HISTORY

RIVA DEL GARDA

MEETINGS & EVENTS

Set on the Trentino shore of Lake Garda, the Lido Palace has dominated the scene since 1899. The structure features an architecture that blends history and modernity, and stands in an evocative setting with a view of the blue lake alternating with the green of the park. Immersed in a scenario of natural serenity, this is a prime location to organize business meetings, events, company presentations and convivial affairs. Here you can find two bright rooms adaptable to different requests and uses. In addition, the kitchen brigade, led by the inspiration of executive chef David Cattoi, knows how to personalize each appointment, with tailored menus, business breakfasts, coffee breaks and much more.

You can also add the booking of rooms for one or more guests into the business package.

MEETING FACILITIES

Comfortable and practical, our multi-functional spaces enjoy natural light and are equipped with various amenities, often essential to ensure the success of an event: Wi-Fi connection, secretarial and hosting service (on request), large screen and projector, flipchart, microphones, simultaneous translation service (on request), notepads with pen. Of course, you can complete the experience with a coffee break and a meal.

SARCA ROOM

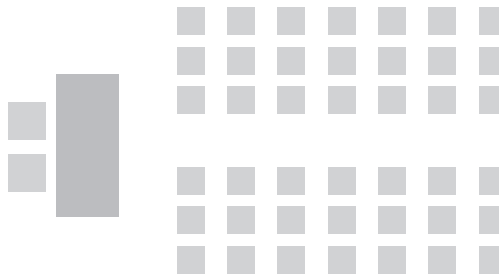

It is 47 m² wide and equipped with a large oval-shaped table with a capacity of 12 participants. In addition, it features plain walls and features a flip chart.

ADIGE ROOM

With its 65 m² it is particularly suitable for hosting events of up to 50 participants. It is equipped with chairs featuring a folding writing surface and a table for speakers, as well as a motorized screen for presentations at the end of the room.

INCENTIVES & TEAM BUILDING

Lido Palace is the ideal destination for corporate and team building activities, essential for strengthening the bond with your collaborators, improving transversal skills and stimulating creativity in view of new business opportunities. Among the various experiences offered on site, there are wine tastings with expert sommeliers, exclusive treatments in our CXI Spa and fitness courses. In the area you can practice windsurfing, sailing, cycling, via ferrata, hiking, climbing, rowing and boat trips. We also organize guided tours to wineries, distilleries and theme parks, cooking classes with our chefs and a visit to MART, the Museum of Modern Art in Rovereto.

For further information, we remain at your complete disposal.

PRIVATE EVENTS & AUTOMOTIVE EXCURSIONS

Our restaurant enjoys a wonderful view of Lake Garda and can accommodate up to 90 people. The Sala delle Colonne (Hall of Columns) can welcome 40 guests and is particularly suitable for aperitifs, private parties and gala dinners. If you wish, we are also happy to organize the right musical accompaniment or an entertainment show for you.

As for the automotive excursion, the shores of the lake are perfect for embarking on a four-wheel tour along the evocative Gardesana road, where you can enjoy the breathtaking view that opens onto the surrounding mountains.

The hotel has 3 charging points for electric cars (2 Tesla chargers and 1 Porsche station) that can be used by all our guests.
